

EGBA Meeting Notes  
Monday, February 18, 2008

After introductions were made, Lynne Dee's Gallery and Our Towne were spotlighted. March spotlights are Gettysburg Flag Works and NBT (the newest bank in town).

Retail events were recapped. February's Leap into your local has been advertised in both Our Towne and the Advertiser. Everyone agreed that the retailers should keep track of where customers hear about the 'event'. We are looking for ideas for a May retail event.

The EGBA Mixer is a plan in motion! We are looking at holding it on April 1 to kick off Spring and to bring in new members. Chairing the Mixer sub-committee is Linda Coonrad. She can be reached at [lindacoonraddarling@yahoo.com](mailto:lindacoonraddarling@yahoo.com).

Kim L. is working with Rick Matters of the EG Town Board on the vacancies in town; getting a list of buildings, owners and then determining how we can work with the Town on beautifying them or filling them.

Lynne R. is working on getting the list of EG businesses to everyone, so that we can telephone all to get more involvement!

April has Earth Day and we are planning two dates to clean up a stretch of 9/20. The dates are April 19 and 26. We are meeting at a place TBD at 8:30a. Clean up is from 9-11a on the stretch of land across from Fucillo Ford. Ginny O has volunteered, as well as Kim L. Please contact Sara S at [sshel\\_2000@yahoo.com](mailto:sshel_2000@yahoo.com) to volunteer. Lynne C. has a letter to distribute to local businesses to try to get more involved.

The next EGBA meeting is scheduled for Monday, March 17. We will have two presentations for an EG map; one at 4p and one at 5p. In between, we will have a 'how to' from DOT for our Earth Day clean up.

Ruth J. and Brian Z. have volunteered to spearhead the map project!
